Hi Cruiser's Morris Cruise Night Committee wants to thank you for making our event so great. After all it would not be possible without you. We are looking forward to the 2020 season to be better and larger, our current record is 917 Cars / Trucks. As you know all 5 of our cruises are benefiting a local charity or group, but we need to address a few areas. We are asking everyone that attends to keep the following in mind.

We do not have the street till 3:00 PM. If you come before that you are taking spots away from a shopper. It also makes it very hard for the staff to turn the cars around at 3:00 and still bring the cars that are in line while the turnaround activity is going on. Always be respectful of the downtown stores, and don't block their doorway or sit real close to their windows. This could be intimidating to the owners and the store customers. Let's have a great and Safe 2020, look forward to seeing you on June 13, 2020. If you have any questions post them on our facebook Morris Cruise Night.

Thanks in advance for your support for the last 18 years.
